

Kindergarten Parent Patrol Volunteers

Schedule for Morning Drop-Off

2011-2012

Please look for your classroom's volunteer schedule below. Parents keep the carpool line moving by opening car doors, assisting children exiting the cars, etc. Your room parent will coordinate the volunteers.

At least two Kindergarten parents should be volunteering daily and should be at the kindergarten gate at 7:30 – 8:00 a.m. Small children should not be assisting parents in the drop-off lanes as it is very hazardous. If you have specific questions, please contact your room parent.
