

Parent Patrol Volunteers Schedule For Morning Drop-Off 2011-2012

Please look for your classroom's volunteer schedule below. Upper grade parents begin their duty at the front of the school when the first bell rings at 7:50, which is when 5th and 4th grade Safety Patrol leave for school. Parents keep the carpool line moving by opening car doors, assisting children exiting the cars, etc. Your room parent will coordinate the volunteers.

At least two upper grade parents should be volunteering daily. Small children should not be assisting parents in the drop-off lanes as it is very hazardous. If you have specific questions, please contact your room parent.
