

Kolter Elementary School
**MAJOR EVENT
SPONSORSHIP OPPORTUNITIES**

Our fundraising and community events are not possible without the support of our generous community sponsors. Your gift of event sponsorship will not only offset the costs of our event, but also can provide you a return on your marketing dollars. Kolter has more than 650 students with families rooted in our immediate geographical area and many others!

Please indicate your desired level of support below and return this form to Melissa Bayne, development@kolterpto.com. Thank you for your consideration!

Count us in!
